

The image shows two overlapping screenshots of the EduAppGT PRO interface. The background screenshot is the login page, featuring fields for Username, Password, and a 'Login' button. The foreground screenshot is the registration page, with fields for Name, Username, Password, Email, Phone, Address, and a 'Create an account' button. The interface is clean and modern with a light blue and white color scheme.

## Nice login & Frontend Users Registration

The image displays three overlapping screenshots of the message system. The background screenshot shows a list of messages with user avatars and timestamps. The middle screenshot shows a conversation with a user named 'Sasha Perera'. The foreground screenshot shows a conversation with a user named 'Sergio Flores'. The interface is user-friendly and includes a search bar and a 'Send' button.

## Beautiful & Intuitive Message System

The image shows a screenshot of the user management interface. The main area displays a table of users with columns for Name, Username, Email, Address, and Status. A modal window is open, showing the profile of 'Hernesto Reyes' with details like Roll ID, Class, and Section. The interface is clean and professional, with a dark blue sidebar and a light blue header.
